## Product Datasheet

### Cation Dependent Mannose 6-Phosphate Receptor (M6PR) Antibody, Unconjugated, Rabbit, Polyclonal ABX006336

|                          |                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------|
| Artikelname              | Cation Dependent Mannose 6-Phosphate Receptor (M6PR) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX006336                                                                                       |
| Hersteller Artikelnummer | abx006336                                                                                       |
| Alternativnummer         | ABX006336-20UL, ABX006336-100UL, ABX006336-2X100UL                                              |
| Hersteller               | Abbexa                                                                                          |
| Wirt                     | Rabbit                                                                                          |
| Kategorie                | Antikörper                                                                                      |
| Applikation              | IHC, WB                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                               |
| Immunogen                | Recombinant protein corresponding to M6PR. The exact sequence is proprietary.                   |
| Konjugation              | Unconjugated                                                                                    |
| Klonalität               | Polyclonal                                                                                      |
| Konzentration            | > 0.2 mg/ml                                                                                     |
| Molekulargewicht         | Calculated MW: 31 kDa Observed MW: 31 kDa                                                       |
| NCBI                     | <a href="#">4074</a>                                                                            |
| UniProt                  | <a href="#">P20645</a>                                                                          |

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol. |
| Formulierung     | Liquid                                                    |
| Target-Kategorie | Cation Dependent Mannose 6-Phosphate Receptor (M6PR)      |
| Antibody Type    | Primary Antibody                                          |
