## Product Datasheet

### **Anti-ERp57 Antibody Picoband (monoclonal, 7E5) PE Conjugated, Clone: [Clone: 7E5], Mouse, Monoclonal BOB-M01464-4-PE**

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ERp57 Antibody Picoband (monoclonal, 7E5) PE Conjugated, Clone: [Clone: 7E5], Mouse, Monoclonal                                                     |
| Artikelnummer            | BOB-M01464-4-PE                                                                                                                                          |
| Hersteller Artikelnummer | M01464-4-PE                                                                                                                                              |
| Alternativnummer         | BOB-M01464-4-PE-100UG                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | FC                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ERp57, different from the related mouse and rat sequences by two amino acids. |
| Klonalität               | Monoclonal                                                                                                                                               |
| Klon-Bezeichnung         | [Clone: 7E5]                                                                                                                                             |
| NCBI                     | <a href="#">2923</a>                                                                                                                                     |
| UniProt                  | <a href="#">P30101</a>                                                                                                                                   |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Protein disulfide-isomerase A3                                       |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
