## Product Datasheet

### **Anti-LSM8 Antibody Picoband (monoclonal, 6B11) APC Conjugated, Clone: [Clone: 6B11], Mouse, Monoclonal BOB-M10947-APC**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-LSM8 Antibody Picoband (monoclonal, 6B11) APC Conjugated, Clone: [Clone: 6B11], Mouse, Monoclonal      |
| Artikelnummer            | BOB-M10947-APC                                                                                              |
| Hersteller Artikelnummer | M10947-APC                                                                                                  |
| Alternativnummer         | BOB-M10947-APC-100UG                                                                                        |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Mouse                                                                                                       |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human LSM8 recombinant protein (Position: M1-H96).                                           |
| Klonalität               | Monoclonal                                                                                                  |
| Klon-Bezeichnung         | [Clone: 6B11]                                                                                               |
| NCBI                     | <a href="#">51691</a>                                                                                       |
| UniProt                  | <a href="#">O95777</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | U6 snRNA-associated Sm-like protein LSm8                             |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
