## Product Datasheet

### Anti-ZO1 tight junction protein/TJP1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PB9234-BIOTIN

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ZO1 tight junction protein/TJP1 Antibody Picoband Biotin<br>Conjugated, Rabbit, Polyclonal                                                 |
| Artikelnummer            | BOB-PB9234-BIOTIN                                                                                                                               |
| Hersteller Artikelnummer | PB9234-Biotin                                                                                                                                   |
| Alternativnummer         | BOB-PB9234-BIOTIN-100UG                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | ELISA, IHC, WB                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                               |
| Immunogen                | E.coli-derived human TJP1 recombinant protein (Position: H1178-F1527). Human TJP1 shares 82% amino acid (aa) sequence identity with mouse TJP1. |
| Klonalität               | Polyclonal                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 195459 MW                                                                                                          |
| NCBI                     | <a href="#">7082</a>                                                                                                                            |
| UniProt                  | <a href="#">Q07157</a>                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Tight junction protein 1                                                                                                                                                                                                              |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
