## Product Datasheet

### Anti-p73/TP73 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PB9235-HRP

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-p73/TP73 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                          |
| Artikelnummer            | BOB-PB9235-HRP                                                                                                                              |
| Hersteller Artikelnummer | PB9235-HRP                                                                                                                                  |
| Alternativnummer         | BOB-PB9235-HRP-100UG                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                           |
| Immunogen                | E.coli-derived human p73 recombinant protein (Position: M1-E198).<br>Human p73 shares 96% amino acid (aa) sequence identity with mouse p73. |
| Klonalität               | Polyclonal                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 69623 MW                                                                                                       |
| NCBI                     | <a href="#">7161</a>                                                                                                                        |
| UniProt                  | <a href="#">O15350</a>                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                         |
| Reinheit                 | Immunogen affinity purified.                                                                                                                |
| Formulierung             | Liquid                                                                                                                                      |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Tumor protein p73                                                                                                                                                                                                                     |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
