| Artikelname              | Anti-CD63 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-PB9250-HRP                                                                                                                                                             |
| Hersteller Artikelnummer | PB9250-HRP                                                                                                                                                                 |
| Alternativnummer         | BOB-PB9250-HRP-100UG                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | ELISA, IHC, WB                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                                      |
| Immunogen                | E.coli-derived human CD63 recombinant protein (Position: E97-M238). Human CD63 shares 74% and 73% amino acid (aa) sequence identity with mouse and rat CD63, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                 |
| Molekulargewicht         | Calculated Molecular Weight: 25637 MW                                                                                                                                      |
| NCBI                     | <a href="#">967</a>                                                                                                                                                        |
| UniProt                  | <a href="#">P08962</a>                                                                                                                                                     |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                               |
| Formulierung             | Liquid                                                                                                                                                                     |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | CD63 antigen                                                                                                                                                                                                                          |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
