### Anti-MCM7 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-PB9261-FITC

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MCM7 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                               |
| Artikelnummer            | BOB-PB9261-FITC                                                                                                                               |
| Hersteller Artikelnummer | PB9261-FITC                                                                                                                                   |
| Alternativnummer         | BOB-PB9261-FITC-100UG                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | FC                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                             |
| Immunogen                | E.coli-derived human MCM7 recombinant protein (Position: D526-V719). Human MCM7 shares 94% amino acid (aa) sequence identity with mouse MCM7. |
| Klonalität               | Polyclonal                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 81308 MW                                                                                                         |
| NCBI                     | <a href="#">4176</a>                                                                                                                          |
| UniProt                  | <a href="#">P33993</a>                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |
| Reinheit                 | Immunogen affinity purified.                                                                                                                  |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | DNA replication licensing factor MCM7                                |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
