| Artikelname              | Anti-Mitofusin 2/MFN2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                                       |
| Artikelnummer            | BOB-PB9265-HRP                                                                                                                                                                                   |
| Hersteller Artikelnummer | PB9265-HRP                                                                                                                                                                                       |
| Alternativnummer         | BOB-PB9265-HRP-100UG                                                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                |
| Immunogen                | E.coli-derived human Mitofusin 2 recombinant protein (Position: V601-R757). Human Mitofusin 2 shares 96% and 95% amino acid (aa) sequence identity with mouse and rat Mitofusin 2, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 86402 MW                                                                                                                                                            |
| NCBI                     | <a href="#">9927</a>                                                                                                                                                                             |
| UniProt                  | <a href="#">O95140</a>                                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                              |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Mitofusin-2                                                                                                                                                                                                                           |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
