| Artikelname              | Anti-MMP3 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                                                   |
| Artikelnummer            | BOB-PB9267-FLUORO594                                                                                                                                                                                   |
| Hersteller Artikelnummer | PB9267-Fluoro594                                                                                                                                                                                       |
| Alternativnummer         | BOB-PB9267-FLUORO594-100UG                                                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | FC                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminal of human MMP3, different from the related mouse sequence by seven amino acids, and from the related rat sequence by ten amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                             |
| Molekulargewicht         | Calculated Molecular Weight: 53977 MW                                                                                                                                                                  |
| NCBI                     | <a href="#">4314</a>                                                                                                                                                                                   |
| UniProt                  | <a href="#">P08254</a>                                                                                                                                                                                 |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                            |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Stromelysin-1                                                        |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
