| Artikelname              | Anti-Kv1.4/KCNA4 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                               |
| Artikelnummer            | BOB-PB9807-FITC                                                                                                                                                                                      |
| Hersteller Artikelnummer | PB9807-FITC                                                                                                                                                                                          |
| Alternativnummer         | BOB-PB9807-FITC-100UG                                                                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                           |
| Applikation              | FC                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Kv1.4, different from the related mouse sequence by two amino acids, and from the related rat sequence by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 73257 MW                                                                                                                                                                |
| NCBI                     | <a href="#">3739</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">P22459</a>                                                                                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                          |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Potassium voltage-gated channel subfamily A member 4                 |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
