## Product Datasheet

### **Anti-DNA polymerase eta/POLH Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PB9813-FLUORO488**

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-DNA polymerase eta/POLH Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                         |
| Artikelnummer            | BOB-PB9813-FLUORO488                                                                                                                            |
| Hersteller Artikelnummer | PB9813-Fluoro488                                                                                                                                |
| Alternativnummer         | BOB-PB9813-FLUORO488-100UG                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | FC                                                                                                                                              |
| Spezies Reaktivität      | Human, Rat                                                                                                                                      |
| Immunogen                | E.coli-derived human POLH recombinant protein (Position: A157-R361). Human POLH shares 93.6% amino acid (aa) sequence identity with mouse POLH. |
| Klonalität               | Polyclonal                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 78413 MW                                                                                                           |
| NCBI                     | <a href="#">5429</a>                                                                                                                            |
| UniProt                  | <a href="#">Q9Y253</a>                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | DNA polymerase eta                                                   |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
