## Product Datasheet

### Anti-PRC1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-PB9814-FLUORO594

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PRC1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                        |
| Artikelnummer            | BOB-PB9814-FLUORO594                                                                                                                        |
| Hersteller Artikelnummer | PB9814-Fluoro594                                                                                                                            |
| Alternativnummer         | BOB-PB9814-FLUORO594-100UG                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | FC                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                           |
| Immunogen                | E.coli-derived human PRC1 recombinant protein (Position: M1-E233). Human PRC1 shares 85% amino acid (aa) sequence identity with mouse PRC1. |
| Klonalität               | Polyclonal                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 72 kDa                                                                                                         |
| NCBI                     | <a href="#">9055</a>                                                                                                                        |
| UniProt                  | <a href="#">O43663</a>                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                 |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Protein regulator of cytokinesis 1                                   |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
