## Product Datasheet

### Anti-ARF6 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PB9987-BIOTIN

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ARF6 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                            |
| Artikelnummer            | BOB-PB9987-BIOTIN                                                                                                                                            |
| Hersteller Artikelnummer | PB9987-Biotin                                                                                                                                                |
| Alternativnummer         | BOB-PB9987-BIOTIN-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | ELISA, IHC, WB                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                            |
| Immunogen                | E.coli-derived human ARF6 recombinant protein (Position: G2-S175).<br>Human ARF6 shares 100% amino acid (aa) sequence identity with both mouse and rat ARF6. |
| Klonalität               | Polyclonal                                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 20082 MW                                                                                                                        |
| NCBI                     | <a href="#">382</a>                                                                                                                                          |
| UniProt                  | <a href="#">P62330</a>                                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                  |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                 |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | ADP-ribosylation factor 6                                                                                                                                                                                                             |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
