### Anti-Gdf15 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A01583-5-PE

|                          |                                                                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Gdf15 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                                                     |
| Artikelnummer            | BOB-A01583-5-PE                                                                                                                                                                    |
| Hersteller Artikelnummer | A01583-5-PE                                                                                                                                                                        |
| Alternativnummer         | BOB-A01583-5-PE-100UG                                                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                         |
| Applikation              | FC                                                                                                                                                                                 |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                         |
| Immunogen                | E.coli-derived mouse Gdf15 recombinant protein (Position: S189-A302). Mouse Gdf15 shares 69.1% and 96.5% amino acid (aa) sequence identity with human and rat Gdf15, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 34,12 kDa                                                                                                                                             |
| NCBI                     | <a href="#">23886</a>                                                                                                                                                              |
| UniProt                  | <a href="#">Q9Z0J7</a>                                                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Growth/differentiation factor 15                                     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
