## Product Datasheet

### **Anti-Parathyroid Hormone Receptor 1/PTH1R Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A01588-PE**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Parathyroid Hormone Receptor 1/PTH1R Antibody Picoband PE Conjugated, Rabbit, Polyclonal               |
| Artikelnummer            | BOB-A01588-PE                                                                                               |
| Hersteller Artikelnummer | A01588-PE                                                                                                   |
| Alternativnummer         | BOB-A01588-PE-100UG                                                                                         |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Monkey                                                                                               |
| Immunogen                | E.coli-derived human Parathyroid Hormone Receptor 1/PTH1R recombinant protein (Position: R102-L446).        |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 34140 MW                                                                       |
| NCBI                     | <a href="#">5745</a>                                                                                        |
| UniProt                  | <a href="#">Q03431</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Parathyroid hormone/parathyroid hormone-related peptide receptor     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
