## Product Datasheet

### **Anti-MRP4/ABCC4 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal** **BOB-A01596-FLUORO488**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MRP4/ABCC4 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                  |
| Artikelnummer            | BOB-A01596-FLUORO488                                                                                        |
| Hersteller Artikelnummer | A01596-Fluoro488                                                                                            |
| Alternativnummer         | BOB-A01596-FLUORO488-100UG                                                                                  |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human MRP4 recombinant protein (Position: M1-K77).                                           |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 149527 MW                                                                      |
| NCBI                     | <a href="#">10257</a>                                                                                       |
| UniProt                  | <a href="#">O15439</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | ATP-binding cassette sub-family C member 4                           |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
