### Anti-E2F5 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A05265-1-HRP

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | Anti-E2F5 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                      |
| Artikelnummer            | BOB-A05265-1-HRP                                                                    |
| Hersteller Artikelnummer | A05265-1-HRP                                                                        |
| Alternativnummer         | BOB-A05265-1-HRP-100UG                                                              |
| Hersteller               | Boster Bio                                                                          |
| Wirt                     | Rabbit                                                                              |
| Kategorie                | Antikörper                                                                          |
| Applikation              | ELISA, IHC, WB                                                                      |
| Spezies Reaktivität      | Human                                                                               |
| Immunogen                | E.coli-derived human E2F5 recombinant protein (Position: C121-Y346).                |
| Klonalität               | Polyclonal                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 39411 MW                                               |
| NCBI                     | <a href="#">1875</a>                                                                |
| UniProt                  | <a href="#">Q15329</a>                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                        |
| Formulierung             | Liquid                                                                              |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Transcription factor E2F5                                                                                                                                                                                                             |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
