### Anti-RPE Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A05272-1-FLUORO647

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RPE Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                    |
| Artikelnummer            | BOB-A05272-1-FLUORO647                                                                                                                 |
| Hersteller Artikelnummer | A05272-1-Fluoro647                                                                                                                     |
| Alternativnummer         | BOB-A05272-1-FLUORO647-100UG                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | FC                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                      |
| Immunogen                | E.coli-derived human RPE recombinant protein (Position: D68-E110). Human RPE shares 97.7% amino acid (aa) sequence identity mouse RPE. |
| Klonalität               | Polyclonal                                                                                                                             |
| Molekulargewicht         | Calculated Molecular Weight: 25 kDa                                                                                                    |
| NCBI                     | <a href="#">6120</a>                                                                                                                   |
| UniProt                  | <a href="#">Q96AT9</a>                                                                                                                 |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                            |
| Reinheit                 | Immunogen affinity purified.                                                                                                           |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Ribulose-phosphate 3-epimerase                                       |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
