## Product Datasheet

### Anti-SEC23A Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A05287-2-FLUORO550

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SEC23A Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                      |
| Artikelnummer            | BOB-A05287-2-FLUORO550                                                                                      |
| Hersteller Artikelnummer | A05287-2-Fluoro550                                                                                          |
| Alternativnummer         | BOB-A05287-2-FLUORO550-100UG                                                                                |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human SEC23A recombinant protein (Position: R190-Q579).                                      |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 39411 MW                                                                       |
| NCBI                     | <a href="#">10484</a>                                                                                       |
| UniProt                  | <a href="#">Q15436</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Protein transport protein Sec23A                                     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
