## Product Datasheet

### Anti-CLCN3 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A05300-1-FITC

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CLCN3 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                   |
| Artikelnummer            | BOB-A05300-1-FITC                                                                                                                                  |
| Hersteller Artikelnummer | A05300-1-FITC                                                                                                                                      |
| Alternativnummer         | BOB-A05300-1-FITC-100UG                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | FC                                                                                                                                                 |
| Spezies Reaktivität      | Human, Rat                                                                                                                                         |
| Immunogen                | E.coli-derived human CLCN3 recombinant protein (Position: G293-R752). Human CLCN3 shares 99.6% amino acid (aa) sequence identity with mouse CLCN3. |
| Klonalität               | Polyclonal                                                                                                                                         |
| NCBI                     | <a href="#">1182</a>                                                                                                                               |
| UniProt                  | <a href="#">P51790</a>                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                       |
| Formulierung             | Liquid                                                                                                                                             |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Target-Kategorie       | H                                                                    |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
