### Anti-SMIM8 Antibody, Rabbit, Polyclonal BOB-A17404

|                          |                                                                                                                                                 |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SMIM8 Antibody, Rabbit, Polyclonal                                                                                                         |
| Artikelnummer            | BOB-A17404                                                                                                                                      |
| Hersteller Artikelnummer | A17404                                                                                                                                          |
| Alternativnummer         | BOB-A17404-100UG                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | ELISA, IHC                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                           |
| Immunogen                | E.coli-derived human SMIM8 recombinant protein (Position: M1-D97). Human SMIM8 shares 88.7% amino acid (aa) sequence identity with mouse SMIM8. |
| Produktbeschreibung      | Boster Bio Anti-SMIM8 Antibody Picoband catalog A17404. Tested in ELISA, IHC applications. This antibody reacts with Human...                   |
| Klonalität               | Polyclonal                                                                                                                                      |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                       |
| Molekulargewicht         | Observed Molecular Weight: 30 kDa. Calculated Molecular Weight: 52588 MW                                                                        |
| NCBI                     | <a href="#">57150</a>                                                                                                                           |

|                        |                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q96KF7</a>                                                                        |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .     |
| Reinheit               | Immunogen affinity purified.                                                                  |
| Formulierung           | Lyophilized                                                                                   |
| Target-Kategorie       | Small integral membrane protein 8                                                             |
| Application Verdünnung | Immunohistochemistry (Paraffin-embedded Section), 2-5 µg/ml,<br>Human ELISA, 0.1-0.5 µg/ml, - |
