## Product Datasheet

### Anti-SARS-CoV-2 NSP10 Antibody Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A34003-FLUORO647

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SARS-CoV-2 NSP10 Antibody Fluoro647 Conjugated, Rabbit, Polyclonal                                                                            |
| Artikelnummer            | BOB-A34003-FLUORO647                                                                                                                               |
| Hersteller Artikelnummer | A34003-Fluoro647                                                                                                                                   |
| Alternativnummer         | BOB-A34003-FLUORO647-100UG                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | FC                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                              |
| Immunogen                | AGNATEVPANSTVLSFCAFAVDAAKAYKDYLASGGQPITNCVKMLCTHTGTG<br>QAITVTPEANMDQESFGGASCCLYCRCHIDHPNPKGFCDLKGKYVQIPTTCAN<br>DPVGFTLKNTVCTVCGMWKGYGCSCDQLREPLQ |
| Klonalität               | Polyclonal                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 16693 MW                                                                                                              |
| NCBI                     | <a href="#">43740578</a>                                                                                                                           |
| UniProt                  | <a href="#">P0DTC1</a>                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Calmodulin-1/2/3                                                     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
