### **RPS14 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB1676253**

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RPS14 Rabbit Polyclonal Antibody, Unconjugated                                                                                           |
| Artikelnummer            | BYT-ORB1676253                                                                                                                           |
| Hersteller Artikelnummer | orb1676253                                                                                                                               |
| Alternativnummer         | BYT-ORB1676253-100                                                                                                                       |
| Hersteller               | Biorbyt                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | ELISA, FC, ICC, IF, IHC, IP, WB                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                        |
| Immunogen                | E.coli-derived human RPS14 recombinant protein (Position: E11-K143).                                                                     |
| Konjugation              | Unconjugated                                                                                                                             |
| Produktbeschreibung      | Anti-RPS14 Antibody. Tested in ELISA, Flow Cytometry, IP, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                |
| Molekulargewicht         | 16 kDa                                                                                                                                   |

|                        |                                                                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P62263</a>                                                                                                                                                                                                                                                      |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                                                   |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                 |
| Target-Kategorie       | Small ribosomal subunit protein uS11                                                                                                                                                                                                                                        |
| Application Verdünnung | Western blot, 0.1-0.25 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml,<br>Human, Mouse, Rat Immunocytochemistry/Immunofluorescence, 5<br>µg/ml, Human Immunoprecipitation, 0.5-2 µg/ml, Human Flow<br>Cytometry (Fixed), 1-3 µg/1x1 |
