### STON1 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB1676526

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | STON1 Rabbit Polyclonal Antibody, Unconjugated                                                                      |
| Artikelnummer            | BYT-ORB1676526                                                                                                      |
| Hersteller Artikelnummer | orb1676526                                                                                                          |
| Alternativnummer         | BYT-ORB1676526-100                                                                                                  |
| Hersteller               | Biorbyt                                                                                                             |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                                              |
| Spezies Reaktivität      | Human                                                                                                               |
| Immunogen                | E.coli-derived human STON1 recombinant protein (Position: R127-R688).                                               |
| Konjugation              | Unconjugated                                                                                                        |
| Produktbeschreibung      | Anti-STON1 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Polyclonal                                                                                                          |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                           |
| Molekulargewicht         | 83 kDa                                                                                                              |
| UniProt                  | <a href="#">Q9Y6Q2</a>                                                                                              |

|                        |                                                                                                                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                      |
| Formulierung           | Lyophilized                                                                                                                                                                                                                    |
| Target-Kategorie       | Stonin-1                                                                                                                                                                                                                       |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - |
