| Artikelname              | Aspartate Aminotransferase/GOT1 Mouse Monoclonal Antibody, IgG2b, Clone: [6B3B4], Unconjugated                                                                     |
| Artikelnummer            | BYT-ORB1474867                                                                                                                                                     |
| Hersteller Artikelnummer | orb1474867                                                                                                                                                         |
| Alternativnummer         | BYT-ORB1474867-100                                                                                                                                                 |
| Hersteller               | Biorbyt                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | FC, IHC, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                  |
| Immunogen                | E.coli-derived human Aspartate Aminotransferase/GOT1 recombinant protein (Position: S5-Q413).                                                                      |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Produktbeschreibung      | Anti-Aspartate Aminotransferase/GOT1 Antibody (monoclonal, 6B3B4). Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                         |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                          |

|                        |                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [6B3B4]                                                                                                                                                                               |
| Molekulargewicht       | 43 kDa                                                                                                                                                                                |
| Isotyp                 | IgG2b                                                                                                                                                                                 |
| UniProt                | <a href="#">P17174</a>                                                                                                                                                                |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                          |
| Formulierung           | Lyophilized                                                                                                                                                                           |
| Target-Kategorie       | Aspartate aminotransferase, cytoplasmic                                                                                                                                               |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml,<br>Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human |
