| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | Human C5AR1 full length protein-synthetic nanodisc...                                                                                                                                                                                                           |
| Molekulargewicht         | The human full length C5AR1 protein has a MW of 39.3 kDa                                                                                                                                                                                                        |
| UniProt                  | <a href="#">P21730</a>                                                                                                                                                                                                                                          |
| Formulierung             | Lyophilized from nanodisc solubilization buffer (20 mM Tris-HCl, 150 mM NaCl, pH 8.0). Normally 5% - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions. Do not use solvents with pH lowe |
| Target-Kategorie         | C5AR1                                                                                                                                                                                                                                                           |
