## Product Datasheet

### **GFAP Antibody, IgG1, Clone: [GFAP/6884], Unconjugated, Mouse, Monoclonal BYT-ORB1409994**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | GFAP Antibody, IgG1, Clone: [GFAP/6884], Unconjugated, Mouse, Monoclonal                       |
| Artikelnummer            | BYT-ORB1409994                                                                                 |
| Hersteller Artikelnummer | orb1409994                                                                                     |
| Alternativnummer         | BYT-ORB1409994-100,BYT-ORB1409994-20                                                           |
| Hersteller               | Biorbyt                                                                                        |
| Wirt                     | Mouse                                                                                          |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | IHC, WB                                                                                        |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant fragment (around aa 150-250) of human GFAP protein (exact sequence is proprietary) |
| Konjugation              | Unconjugated                                                                                   |
| Produktbeschreibung      | Mouse monoclonal antibody to GFAP (Astrocyte & Neural Stem Cell Marker)...                     |
| Klonalität               | Monoclonal                                                                                     |
| Klon-Bezeichnung         | [GFAP/6884]                                                                                    |
| Molekulargewicht         | ~50kDa                                                                                         |

|                  |                                                                                                                                                                                        |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp           | IgG1                                                                                                                                                                                   |
| UniProt          | <a href="#">P14136</a>                                                                                                                                                                 |
| Formulierung     | 200ug/ml of Ab purified from Bioreactor Concentrate by Protein A/G.<br>Prepared in 10mM PBS with 0.05% rAlbumin & 0.05% azide.<br>Also available WITHOUT rAlbumin & azide at 1.0mg/ml. |
| Target-Kategorie | GFAP                                                                                                                                                                                   |
