## Product Datasheet

### **amyloid beta precursor protein Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB555949**

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | amyloid beta precursor protein Antibody, Unconjugated, Rabbit, Polyclonal                                                 |
| Artikelnummer            | BYT-ORB555949                                                                                                             |
| Hersteller Artikelnummer | orb555949                                                                                                                 |
| Alternativnummer         | BYT-ORB555949-100                                                                                                         |
| Hersteller               | Biorbyt                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ICC, IHC-Fr, IHC-P, WB                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                         |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human APP. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                              |
| Produktbeschreibung      | Rabbit polyclonal antibody to APP...                                                                                      |
| Klonalität               | Polyclonal                                                                                                                |
| Konzentration            | 0.2 mg/ml                                                                                                                 |
| Molekulargewicht         | 87                                                                                                                        |
| UniProt                  | <a href="#">P05067</a>                                                                                                    |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Puffer                 | PBS, 10% Glycerol, 0.01% Thimerosal.                                             |
| Reinheit               | Purified by antigen-affinity chromatography.                                     |
| Formulierung           | Liquid: 1XPBS, 10% Glycerol (pH7). 0.01% Thimerosal was added as a preservative. |
| Target-Kategorie       | APP                                                                              |
| Application Verdünnung | WB: 1:500-1:3000 , IF: 1:100-1:1000 , IHC-P: 1:100-1:1000                        |
| Anwendungsbeschreibung | Application Notes: Positive control: HepG2 , U87-MG , SK-N-SH , IMR32 , SK-N-AS  |
