## Product Datasheet

### **Fas activated serine/threonine kinase Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB556047**

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Fas activated serine/threonine kinase Antibody, Unconjugated, Rabbit, Polyclonal                                           |
| Artikelnummer            | BYT-ORB556047                                                                                                              |
| Hersteller Artikelnummer | orb556047                                                                                                                  |
| Alternativnummer         | BYT-ORB556047-100                                                                                                          |
| Hersteller               | Biorbyt                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ICC, IHC-P, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                          |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of human FAST. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                               |
| Produktbeschreibung      | Rabbit polyclonal antibody to FAST...                                                                                      |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | 6.56 mg/ml                                                                                                                 |
| Molekulargewicht         | 61                                                                                                                         |
| UniProt                  | <a href="#">Q14296</a>                                                                                                     |

|                        |                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------|
| Puffer                 | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                           |
| Reinheit               | Affinity purified by Protein A.                                                                    |
| Formulierung           | Liquid: 0.1M Tris, 0.1M Glycine, 10% Glycerol (pH7). 0.01% Thimerosal was added as a preservative. |
| Target-Kategorie       | FAST                                                                                               |
| Application Verdünnung | WB: 1:500-1:3000 , IF: 1:100-1:1000 , IHC-P: 1:100-1:1000                                          |
| Anwendungsbeschreibung | Application Notes: Positive control: 293T , A431 , HeLa , HepG2 , A375 , NIH-3T3 , PC-12           |
