### NDUFS6 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB1173484

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | NDUFS6 Rabbit Polyclonal Antibody, Unconjugated                                                                              |
| Artikelnummer            | BYT-ORB1173484                                                                                                               |
| Hersteller Artikelnummer | orb1173484                                                                                                                   |
| Alternativnummer         | BYT-ORB1173484-100                                                                                                           |
| Hersteller               | Biorbyt                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | ELISA, FC, IHC, WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                            |
| Immunogen                | E.coli-derived human NDUFS6 recombinant protein (Position: M1-D88).                                                          |
| Konjugation              | Unconjugated                                                                                                                 |
| Produktbeschreibung      | Anti-NDUFS6 Antibody. Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                    |
| Molekulargewicht         | 14 kDa                                                                                                                       |
| UniProt                  | <a href="#">O75380</a>                                                                                                       |

|                        |                                                                                                                                                                                                                   |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                         |
| Formulierung           | Lyophilized                                                                                                                                                                                                       |
| Target-Kategorie       | NADH dehydrogenase [ubiquinone] iron-sulfur protein 6, mitochondrial                                                                                                                                              |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human, Mouse Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - |
