| Artikelname              | Mouse MMP13 Protein, His Tag, Unconjugated                                                                                                                                                       |
| Artikelnummer            | BYT-ORB1173667                                                                                                                                                                                   |
| Hersteller Artikelnummer | orb1173667                                                                                                                                                                                       |
| Alternativnummer         | BYT-ORB1173667-10,BYT-ORB1173667-50,BYT-ORB1173667-100                                                                                                                                           |
| Hersteller               | Biorbyt                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                 |
| Spezies Reaktivität      | Monkey                                                                                                                                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                                     |
| Produktbeschreibung      | Recombinant mouse MMP13 protein with C-terminal 6*His tag...                                                                                                                                     |
| Molekulargewicht         | The protein has a predicted molecular mass of 52.8 kDa after removal of the signal peptide. The apparent molecular mass of mMMP13-His is approximately 55-70 kDa due to glycosylation.           |
| UniProt                  | <a href="#">P33435</a>                                                                                                                                                                           |
| Puffer                   | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions.                   |
| Reinheit                 | The purity of the protein is greater than 85% as determined by SDS-PAGE and Coomassie blue staining.                                                                                             |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution. |
