| Kategorie                | Antikörper                                                                                                                                                                                                  |
| Applikation              | FC, ICC                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                                                                                       |
| Immunogen                | KLH conjugated Synthesised phosphopeptide derived from human ER alpha around the phosphorylation site of Tyr537 PL(p-Y)DL                                                                                   |
| Konjugation              | APC                                                                                                                                                                                                         |
| Produktbeschreibung      | Phospho-Estrogen Receptor alpha (Tyr537) Rabbit Polyclonal Antibody (APC) is a APC conjugated antibody targeting ESR1. This antibody is suitable for FC, ICC. It exhibits reactivity with Human samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                  |
| Konzentration            | 1mg/ml                                                                                                                                                                                                      |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Puffer                 | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol. |
| Target-Kategorie       | ESR1                                                                   |
| Application Verdünnung | Flow-Cyt=0.2µg /test, ICC/IF=1:100-500                                 |
| Anwendungsbeschreibung | Modification: Phosphorylated                                           |
