Measles Virus Antigen Preis auf Anfrage BYT-ORB533692

Artikelname	Measles Virus Antigen Preis auf Anfrage
Artikelnummer	BYT-ORB533692
Hersteller Artikelnummer	orb533692
Alternativnummer	BYT-ORB533692-1
Hersteller	Biorbyt
Kategorie	Proteine/Peptide
Produktbeschreibung	Recombinant of Measles Virus Antigen (Premium) protein...
Puffer	Preservation: None
Quelle	Vero cell culture
Formulierung	liquid
Anwendungsbeschreibung	Biological Origin: Vero cell culture. Application Notes: Culture system: Vero cell culture. Preparation: Infected cells and culture supernatant are harvested and concentrated by ultracentrifugation. Following sonication and clarification the suspension is again concentrated by centrifugation. The resulting antigen preparation consists of a high concentration of virus and viral components as well as some cellular material suspended in glycine buffer, pH 9.5. Inactivation: This product has been treated with Beta-propiolactone. Confirmed inactive by attempted growth under original culture conditions. Since no procedure can guarantee absolute sterility, the reagent should be handled with appropriate safety precautions
