### NRAMP1/SLC11A1 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB546332

|                          |                                                                                                                               |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | NRAMP1/SLC11A1 Rabbit Polyclonal Antibody, Unconjugated                                                                       |
| Artikelnummer            | BYT-ORB546332                                                                                                                 |
| Hersteller Artikelnummer | orb546332                                                                                                                     |
| Alternativnummer         | BYT-ORB546332-100                                                                                                             |
| Hersteller               | Biorbyt                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                    |
| Applikation              | ELISA, ICC, IF, IHC, WB                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                             |
| Immunogen                | E.coli-derived human NRAMP1/SLC11A1 recombinant protein (Position: F183-S549).                                                |
| Konjugation              | Unconjugated                                                                                                                  |
| Produktbeschreibung      | Anti-NRAMP1/SLC11A1 Antibody. Tested in ELISA, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                    |
| Konzentration            | 500 µg/ml                                                                                                                     |
| Molekulargewicht         | 120 kDa                                                                                                                       |
| UniProt                  | <a href="#">P49279</a>                                                                                                        |

|                        |                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                           |
| Formulierung           | Lyophilized                                                                                                                                                |
| Target-Kategorie       | Natural resistance-associated macrophage protein 1                                                                                                         |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunocytochemistry/Immunofluorescence, 2µg/ml ELISA, 0.1-0.5µg/ml |
