## Product Datasheet

### **SGLT2/SLC5A2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB546342**

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SGLT2/SLC5A2 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                        |
| Artikelnummer            | BYT-ORB546342                                                                                                                                  |
| Hersteller Artikelnummer | orb546342                                                                                                                                      |
| Alternativnummer         | BYT-ORB546342-100                                                                                                                              |
| Hersteller               | Biorbyt                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | ELISA, FC, ICC, IHC, IHC-Fr, WB                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                              |
| Immunogen                | E.coli-derived human SGLT2/SLC5A2 recombinant protein (Position: A15-N656).                                                                    |
| Konjugation              | Unconjugated                                                                                                                                   |
| Produktbeschreibung      | Anti-SGLT2/SLC5A2 Antibody. Tested in ELISA, Flow Cytometry, IHC, IHC-F, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                     |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                      |
| Molekulargewicht         | 73 kDa                                                                                                                                         |

|                        |                                                                                                                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P31639</a>                                                                                                                                                                                                                              |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                                                                                                                    |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                         |
| Target-Kategorie       | Sodium/glucose cotransporter 2                                                                                                                                                                                                                      |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunohistochemistry (Frozen Section), 0.5-1µg/ml Immunocytochemistry, 0.5-1µg/ml Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells ELISA, 0.1-0.5µg/ml |
