| Hersteller               | Biorbyt                                                                                                                                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                   |
| Produktbeschreibung      | This Plant MPK5 protein spans the amino acid sequence from region 1-369aa. Purity: Greater than 85% as determined by SDS-PAGE....                                                                                                  |
| Molekulargewicht         | 48 kDa                                                                                                                                                                                                                             |
| UniProt                  | <a href="#">Q10N20</a>                                                                                                                                                                                                             |
| Puffer                   | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 5%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose, pH 8.0. |
| Quelle                   | Oryza sativa subsp. japonica (Rice)                                                                                                                                                                                                |
| Reinheit                 | Greater than 85% as determined by SDS-PAGE.                                                                                                                                                                                        |
| Formulierung             | Liquid or Lyophilized powder                                                                                                                                                                                                       |

|                        |                                                                                                                                                                                                                                                                                 |
