| Kategorie                | Antikörper                                                                                                                                                                                         |
| Applikation              | WB                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                  |
| Immunogen                | KLH conjugated synthetic peptide derived from human Integrin linked ILK (301-400/452aa)                                                                                                            |
| Konjugation              | Biotin                                                                                                                                                                                             |
| Produktbeschreibung      | Integrin linked ILK Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting ILK. This antibody is suitable for WB. It exhibits reactivity with Human, Mouse, Rat samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                         |
| Konzentration            | 1mg/ml                                                                                                                                                                                             |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                             |

|                        |               |
|------------------------|---------------|
| Target-Kategorie       | ILK           |
| Application Verdünnung | WB=1:500-2000 |
