## Product Datasheet

### **beta Amyloid/APP Rabbit Polyclonal Antibody, Unconjugated BYT-ORB196261**

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | beta Amyloid/APP Rabbit Polyclonal Antibody, Unconjugated                                                                                                |
| Artikelnummer            | BYT-ORB196261                                                                                                                                            |
| Hersteller Artikelnummer | orb196261                                                                                                                                                |
| Alternativnummer         | BYT-ORB196261-100                                                                                                                                        |
| Hersteller               | Biorbyt                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human APP, different from the related mouse and rat sequences by three amino acids. |
| Konjugation              | Unconjugated                                                                                                                                             |
| Produktbeschreibung      | beta Amyloid/APP Rabbit Polyclonal Antibody...                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                               |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                |
| Molekulargewicht         | 120 kDa                                                                                                                                                  |
| UniProt                  | <a href="#">P05067</a>                                                                                                                                   |

|                        |                                                                                                                                                                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains antibody formulated with stabilizing components, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.01mg NaN <sub>3</sub> . *This antibody is supplied in a stabilized formulation. Compatibility with conjugation reactions depends on the chemistry of the conjugation method |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                            |
| Target-Kategorie       | Amyloid-beta precursor protein                                                                                                                                                                                                                                                                         |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Mouse, Rat, Human<br>Immunocytochemistry/Immunofluorescence, 2µg/ml, Human                                                                                                              |
