### MCM6 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB654440

|                          |                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MCM6 Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Artikelnummer            | BYT-ORB654440                                                                                                                       |
| Hersteller Artikelnummer | orb654440                                                                                                                           |
| Alternativnummer         | BYT-ORB654440-100                                                                                                                   |
| Hersteller               | Biorbyt                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                   |
| Immunogen                | E.coli-derived human MCM6 recombinant protein (Position: Q14-D821).                                                                 |
| Konjugation              | Unconjugated                                                                                                                        |
| Produktbeschreibung      | Anti-MCM6 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                          |
| Konzentration            | 500 µg/ml                                                                                                                           |
| Molekulargewicht         | 105 kDa                                                                                                                             |
| UniProt                  | <a href="#">Q14566</a>                                                                                                              |

|                        |                                                                                                                                                                                                                                                                                    |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                                                       |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                        |
| Target-Kategorie       | DNA replication licensing factor MCM6                                                                                                                                                                                                                                              |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 5µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human<br>ELISA, 0.1-0.5µg/ml, - |
