### **ALDH1L1 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB669057**

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ALDH1L1 Rabbit Polyclonal Antibody, Unconjugated                                                                                               |
| Artikelnummer            | BYT-ORB669057                                                                                                                                  |
| Hersteller Artikelnummer | orb669057                                                                                                                                      |
| Alternativnummer         | BYT-ORB669057-100                                                                                                                              |
| Hersteller               | Biorbyt                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                     |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                                    |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                      |
| Immunogen                | E.coli-derived human ALDH1L1 recombinant protein (Position: N282-L424).                                                                        |
| Konjugation              | Unconjugated                                                                                                                                   |
| Produktbeschreibung      | Anti-ALDH1L1 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Monkey, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                     |
| Konzentration            | 500 µg/ml                                                                                                                                      |
| Molekulargewicht         | 97 kDa                                                                                                                                         |
| UniProt                  | <a href="#">O75891</a>                                                                                                                         |

|                        |                                                                                                                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.01mg NaN <sub>3</sub> .                                                                                                                                                                       |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                            |
| Target-Kategorie       | Cytosolic 10-formyltetrahydrofolate dehydrogenase                                                                                                                                                                                                                                      |
| Application Verdünnung | Western blot, 0.1-0.25µg/ml, Human, Mouse, Rat, Monkey<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 5µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human<br>ELISA, 0.1-0.5µg/m |
