| Alternativnummer         | BYT-ORB669182-100                                                                                                                                                                                  |
| Hersteller               | Biorbyt                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                                         |
| Applikation              | FC, IF, IHC, WB                                                                                                                                                                                    |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of mouse GILT/IFI30, which shares 84.2% and 89.5% amino acid (aa) sequence identity with human and rat GILT/IFI30, respectively. |
| Konjugation              | Unconjugated                                                                                                                                                                                       |
| Produktbeschreibung      | Anti-GILT/IFI30 Antibody. Tested in Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Mouse, Rat....                                                                             |
| Klonalität               | Polyclonal                                                                                                                                                                                         |
| Konzentration            | 500 µg/ml                                                                                                                                                                                          |
| Molekulargewicht         | 28 kDa                                                                                                                                                                                             |
| UniProt                  | <a href="#">Q9ESY9</a>                                                                                                                                                                             |

|                        |                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                   |
| Formulierung           | Lyophilized                                                                                                                                                                                                    |
| Target-Kategorie       | Gamma-interferon-inducible lysosomal thiol reductase                                                                                                                                                           |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Mouse Immunohistochemistry (Paraffin-embedded Section), 1-2µg/ml, Mouse, Rat Immunofluorescence, 5 µg/ml, Mouse, Rat Flow Cytometry(Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Mouse |
