### PTBP2 Mouse Monoclonal Antibody, Clone: [8F11], Unconjugated BYT-ORB738420

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PTBP2 Mouse Monoclonal Antibody, Clone: [8F11], Unconjugated                                                                                     |
| Artikelnummer            | BYT-ORB738420                                                                                                                                    |
| Hersteller Artikelnummer | orb738420                                                                                                                                        |
| Alternativnummer         | BYT-ORB738420-100                                                                                                                                |
| Hersteller               | Biorbyt                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | E.coli-derived human PTBP2 recombinant protein (Position: M1-A504).                                                                              |
| Konjugation              | Unconjugated                                                                                                                                     |
| Produktbeschreibung      | Anti-PTBP2 Antibody (monoclonal, 8F11). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                       |
| Konzentration            | 500 µg/ml                                                                                                                                        |
| Klon-Bezeichnung         | [8F11]                                                                                                                                           |
| Molekulargewicht         | 57-60 kDa                                                                                                                                        |

|                        |                                                                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9UKA9</a>                                                                                                                                                                                                                       |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl and 0.2mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                    |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                  |
| Target-Kategorie       | Polypyrimidine tract-binding protein 2                                                                                                                                                                                                       |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human Immunocytochemistry/Immunofluorescence, 5µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human |
