| Artikelname              | GSDMD Mouse Monoclonal Antibody, Clone: [6D11], Unconjugated                                                                         |
| Artikelnummer            | BYT-ORB763146                                                                                                                        |
| Hersteller Artikelnummer | orb763146                                                                                                                            |
| Alternativnummer         | BYT-ORB763146-100                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                              |
| Wirt                     | Mouse                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                |
| Immunogen                | E.coli-derived human GSDMD recombinant protein (Position: M1-H484).                                                                  |
| Konjugation              | Unconjugated                                                                                                                         |
| Produktbeschreibung      | Anti-GSDMD Antibody (monoclonal, 6D11). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                           |
| Konzentration            | 500 µg/ml                                                                                                                            |
| Klon-Bezeichnung         | [6D11]                                                                                                                               |
| Molekulargewicht         | 53 kDa                                                                                                                               |

|                        |                                                                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P57764</a>                                                                                                                                                                                                     |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                               |
| Formulierung           | Lyophilized                                                                                                                                                                                                                |
| Target-Kategorie       | Gasdermin-D                                                                                                                                                                                                                |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human |
