### ARID1A Rabbit Polyclonal Antibody, Unconjugated BYT-ORB865604

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ARID1A Rabbit Polyclonal Antibody, Unconjugated                                                                                               |
| Artikelnummer            | BYT-ORB865604                                                                                                                                 |
| Hersteller Artikelnummer | orb865604                                                                                                                                     |
| Alternativnummer         | BYT-ORB865604-100                                                                                                                             |
| Hersteller               | Biorbyt                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                                   |
| Spezies Reaktivität      | Human, Rat                                                                                                                                    |
| Immunogen                | E.coli-derived human ARID1A recombinant protein (Position: R857-Q1552).                                                                       |
| Konjugation              | Unconjugated                                                                                                                                  |
| Produktbeschreibung      | Anti-ARID1A Antibody. Tested in ELISA, Flow Cytometry(Intracellular), IF, IHC, ICC, WB applications. This antibody reacts with Human, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                    |
| Konzentration            | 500 µg/ml                                                                                                                                     |
| Molekulargewicht         | 250-270 kDa                                                                                                                                   |
| UniProt                  | <a href="#">O14497</a>                                                                                                                        |

|                        |                                                                                                                                                                                                                                                          |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                                |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                              |
| Target-Kategorie       | AT-rich interactive domain-containing protein 1A                                                                                                                                                                                                         |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry (Paraffin-embedded Section), 2-5 µg/ml, Human, Rat Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - |
