| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FACS                                                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | A partial length recombinant TLR2 protein (amino acids 180-420) was used as the immunogen for this antibody.                                                                                                                                                  |
| Konjugation              | FITC                                                                                                                                                                                                                                                          |
| Produktbeschreibung      | TLR2 (Toll-Like Receptors 2) is a member of the TLR (Toll-like receptor) family that plays a fundamental role in pathogen recognition and activation of innate immunity. TLR2 forms heterodimers with TLR1 and TLR6, which is the initial step in a cascad... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [ABM3A87]                                                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">7097</a>                                                                                                                                                                                                                                          |

|                        |                                                |
