## Product Datasheet

### Monoclonal antibody to Troponin 1 (Clone: ABM5A65) ABI-10-7641-25

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal antibody to Troponin 1 (Clone: ABM5A65)                                                                      |
| Artikelnummer            | ABI-10-7641-25                                                                                                          |
| Hersteller Artikelnummer | 10-7641-25                                                                                                              |
| Alternativnummer         | ABI-10-7641-25-25UG                                                                                                     |
| Hersteller               | Abeomics                                                                                                                |
| Wirt                     | Mouse                                                                                                                   |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | WB                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                   |
| Immunogen                | A partial length recombinant protein from N terminal portion of Troponin 1 was used as the immunogen for this antibody. |
| Klonalität               | Monoclonal                                                                                                              |
| Klon-Bezeichnung         | [ABM5A65]                                                                                                               |
| NCBI                     | <a href="#">7137</a>                                                                                                    |
| UniProt                  | <a href="#">P19429</a>                                                                                                  |
| Reinheit                 | Protein G Chromatography                                                                                                |
| Formulierung             | Purified                                                                                                                |
| Target-Kategorie         | Troponin 1                                                                                                              |

|                        |                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Recommended dilutions: WB: 0.5-1 µg/ml. However, this need to be optimized based on the research applications. |
