## Product Datasheet

### [KD Validated] NDUFS5 Rabbit pAb, Unconjugated, Polyclonal ABB-A21504

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | [KD Validated] NDUFS5 Rabbit pAb, Unconjugated, Polyclonal                                     |
| Artikelnummer            | ABB-A21504                                                                                     |
| Hersteller Artikelnummer | A21504                                                                                         |
| Alternativnummer         | ABB-A21504-100UL, ABB-A21504-20UL                                                              |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, IF, WB                                                                                  |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 13kDa                                                                                          |
| NCBI                     | <a href="#">4725</a>                                                                           |
| UniProt                  | <a href="#">O43920</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:1000 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                       |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Signal Transduction,Endocrine Metabolism,Mitochondrial metabolism,Mitochondrial markers,Oxidative phosphorylation,Neuroscience,Neurodegenerative Diseases. Shipping: Ice Bag |
