## Product Datasheet

### **ABflo 488 Rabbit anti-Mouse CD123/IL-3Ralpha mAb, Monoclonal ABB-A26138**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | ABflo 488 Rabbit anti-Mouse CD123/IL-3Ralpha mAb, Monoclonal                                   |
| Artikelnummer            | ABB-A26138                                                                                     |
| Hersteller Artikelnummer | A26138                                                                                         |
| Alternativnummer         | ABB-A26138-100T, ABB-A26138-5X100T, ABB-A26138-2X100T                                          |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | FC                                                                                             |
| Spezies Reaktivität      | Mouse                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | ABflo 488                                                                                      |
| Klonalität               | Monoclonal                                                                                     |
| Molekulargewicht         | 43kDa                                                                                          |
| NCBI                     | <a href="#">16188</a>                                                                          |
| UniProt                  | <a href="#">P26952</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |
| Application Verdünnung   | FC,5 µl per 10 <sup>6</sup> cells in 100 µl volume                                             |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Mouse. ResearchArea: Immunology Innate Immunity Cytokines InterleukinsSignal Transduction Adapters Transmembrane. Shipping: Ice Bag |
