## Product Datasheet

### Phospho-HSP27/HSPB1-S15 Rabbit pAb, Unconjugated ABB-AP0040

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| Artikelname              | Phospho-HSP27/HSPB1-S15 Rabbit pAb, Unconjugated                                |
| Artikelnummer            | ABB-AP0040                                                                      |
| Hersteller Artikelnummer | AP0040                                                                          |
| Alternativnummer         | ABB-AP0040-100UL, ABB-AP0040-20UL                                               |
| Hersteller               | ABclonal                                                                        |
| Wirt                     | Rabbit                                                                          |
| Kategorie                | Antikörper                                                                      |
| Applikation              | ELISA, IP, WB                                                                   |
| Spezies Reaktivität      | Human                                                                           |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                    |
| Molekulargewicht         | 23kDa                                                                           |
| NCBI                     | <a href="#">3315</a>                                                            |
| UniProt                  | <a href="#">P04792</a>                                                          |
| Reinheit                 | Affinity purification                                                           |

|                        |                                                                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:1000 IP,0.5µg-4µg antibody for 200µg-400µg extracts of whole cells ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                                                              |
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Epigenetics Nuclear Signaling,RNA Binding,Protein phosphorylation,Cancer,Tumor biomarkers,Signal Transduction,Cell Biology Developmental Biology,Apoptosis,Inhibition of Apoptosis,Cytoskeleton,Actins,Stem Cells,Cardiovascular,Heart,Contractility. Shipping: Ice Bag |
