## Product Datasheet

### Phospho-ACC1-S79 Rabbit pAb, Unconjugated ABB-AP0298

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-ACC1-S79 Rabbit pAb, Unconjugated                                                                                                           |
| Artikelnummer            | ABB-AP0298                                                                                                                                          |
| Hersteller Artikelnummer | AP0298                                                                                                                                              |
| Alternativnummer         | ABB-AP0298-20UL, ABB-AP0298-100UL                                                                                                                   |
| Hersteller               | ABclonal                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | ELISA, WB                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                               |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                     |
| Konjugation              | Unconjugated                                                                                                                                        |
| Molekulargewicht         | 266kDa                                                                                                                                              |
| NCBI                     | <a href="#">31</a>                                                                                                                                  |
| UniProt                  | <a href="#">Q13085</a>                                                                                                                              |
| Reinheit                 | Affinity purification                                                                                                                               |
| Application Verdünnung   | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Protein phosphorylation,Endocrine Metabolism,Lipid Metabolism,AMPK Signaling Pathway,Warburg Effect. Shipping: Ice Bag |
